Nantucket 12 Mo. 17th. 1850.

My Dear Friend

Anne Warren Weston.

I rec'd a letter from thee as being my aid for the "Liberty Bell", just as we were leaving home for a long journey, & I was not <u>then</u> able to reply to it. Since our return, time has passed on without my attention hereto till the present moment, but I apprehend I am still in season.

I enclose a $10 Note for that object, wh. please accept. I hope the efforts of thyself & friends in contributing to the Fair, will be blessed with a satisfactory return.

With regard, thy assured friend
